In accordance with the Standards for Educational and Psychological Testing and PAR's competency-based qualification guidelines, many tests and materials sold by PAR are available only to those professionals who are appropriately trained to administer, score, and interpret psychological tests. Eligibility to purchase restricted materials is determined on the basis of training, education, and experience.

This letter indicates that successful completion of the Comprehensive Overview and Certification Program offered by the **National Board of Forensic Evaluators** grants access to purchase **level C materials** from PAR, Inc. A Certificate of Completion from NBFEE must accompany this letter.

This letter can be supplied to PAR when registering to purchase materials as proof of completion of this program and eligibility to purchase all materials sold by PAR.

Sincerely,

A handwritten signature in black ink that reads 'Daniel McFadden'. The signature is written in a cursive style with a large initial 'D'.
